

SKILLED HANDS INNOVATIVE TECHNIQUES

**Colorectal Surgery
from Dr. Scot Paris**

Scot Paris, M.D.
Proctology, General and Colorectal Surgeon
Member of the Medical Staff

The
Surgical
Team of

It's never easy to talk about, but, under the skilled guidance of Dr. Scot Paris, your colorectal health is easily addressed. With innovative techniques like laparoscopic colectomies, Dr. Paris offers patients a shorter hospital stay and a smaller incision. Making the difficult just a little bit easier is why Dr. Paris is a member of the highly skilled Pottstown Memorial Medical Center Surgical Team.
